

PROGRAM MANAGEMENT SERVICES

Complete solutions that provide talent and infrastructure to propel your programs and services forward.

What can we do for your organization?

PROGRAM MODELING AND MANAGEMENT

Get clarity on where you're going.

CCSI can help you develop a program model, service delivery structure, operational goals, practices and procedures, guided by your priorities and vision.

STAFFING TALENT

Staff up quickly to meet your needs.

CCSI can provide the qualified staffing you need to get programs up and running and keep your organization operating efficiently and effectively.

PROGRAM INFRASTRUCTURE

Get infrastructure support all in one place.

CCSI provides customers with the full range of services and back office supports needed for successful project and program management, including staffing and facilities, as well as financial and contract management.

SPECIALIZED SUPPORT

Access expertise in a variety of disciplines.

CCSI's staff are subject matter experts in their field, and they leverage their experience and knowledge to support organizations, from healthcare systems and school districts to locally implemented programs. CCSI offers you specialized support in critical areas like data management and analysis, evaluation and cultural competence.

To hear directly from our customers about how we've partnered with them to reach their goals visit www.ccsi.org/customerstories

For 30 years, CCSI has partnered with organizations across NYS to provide the specialized management services, technical assistance, and implementation support needed to deliver innovative, high quality services across behavioral health, human services, community-based organizations, and intellectual and developmental disabilities providers.
